EDUCATION YOUTH & CULTURE OVERVIEW & SCRUTINY COMMITTEE

Date of Meeting	Thursday, 14 th July 2022
Report Subject	Forward Work Programme
Report Author	Overview & Scrutiny Facilitator
Type of Report	Operational

EXECUTIVE SUMMARY

Overview & Scrutiny presents a unique opportunity for Members to determine the Forward Work programme of the Committee of which they are Members. By reviewing and prioritising the Forward Work Programme Members are able to ensure it is Member-led and includes the right issues. A copy of the Forward Work Programme is attached at Appendix 1 for Members' consideration which has been updated following the last meeting.

The Committee is asked to consider, and amend where necessary, the Forward Work Programme for the Education Youth & Culture Overview & Scrutiny Committee.

RECOMMENDATION

1	That the Committee considers the draft Forward Work Programme and approve/amend as necessary.
2	That the Facilitator, in consultation with the Chair of the Committee be authorised to vary the Forward Work Programme between meetings, as the need arises.

REPORT DETAILS

1.00	EXPLAINING THE FORWARD WORK PROGRAMME
1.01	Items feed into a Committee's Forward Work Programme from a number of sources. Members can suggest topics for review by Overview & Scrutiny Committees, members of the public can suggest topics, items can be referred by the Cabinet for consultation purposes, or by County Council or Chief Officers. Other possible items are identified from the Cabinet Work Programme and the Improvement Plan.
1.02	<p>In identifying topics for future consideration, it is useful for a 'test of significance' to be applied. This can be achieved by asking a range of questions as follows:</p> <ol style="list-style-type: none">1. Will the review contribute to the Council's priorities and/or objectives?2. Is it an area of major change or risk?3. Are there issues of concern in performance?4. Is there new Government guidance of legislation?5. Is it prompted by the work carried out by Regulators/Internal Audit?6. Is the issue of Public or Member concern?
1.03	In previous meetings, requests for information, reports or actions have been made. These have been summarised as action points. Following a meeting of the Corporate Resources Overview & Scrutiny Committee in July 2018, it was recognised that there was a need to formalise such reporting back to Overview & Scrutiny Committees, as 'Matters Arising' was not an item which can feature on an agenda.
1.04	It was suggested that the 'Action tracking' approach be trialled for the Corporate Resources Overview & Scrutiny Committee. Following a successful trial, it was agreed to extend the approach to all Overview & Scrutiny Committees.
1.05	In future Forward Work Programme report, the action tracking details will be included as an update on progress, as an additional appendix to the report.

2.00	RESOURCE IMPLICATIONS
2.01	None as a result of this report.

3.00	CONSULTATIONS REQUIRED / CARRIED OUT
3.01	In some cases, action owners have been contacted to provide an update on their actions.

4.00	RISK MANAGEMENT
4.01	None as a result of this report.

5.00	APPENDICES
5.01	Appendix 1 – Draft Forward Work Programme.

EDUCATION, YOUTH & CULTURE OVERVIEW & SCRUTINY COMMITTEE

Date of Meeting	Thursday, 14 th July, 2022
Report Subject	Terms of Reference of the Committee
Report Author	Democratic Services Manager
Type of Report	Operational

EXECUTIVE SUMMARY

The Council carried out a Committee review during 2019/20 which resulted in amendments to the Overview & Scrutiny Committee Structure. At the Annual Meeting of Council in 2020, these changes were confirmed, and this resulted in a reduction in the number of Committees to five, each comprising 12 elected Members. These are:

- Community, Housing & Assets;
- Corporate Resources;
- Education, Youth & Culture;
- Environment & Economy;
- Social & Healthcare.

Since the 2019/20 review there have been a number of changes to Portfolio structures resulting in changes to service area titles. It was felt that a review of the Overview & Scrutiny Committee terms of reference should be carried out to ensure that they were up to date and better aligned to Portfolio service areas.

Proposed changes to the terms of reference are shown at Appendix 2.

RECOMMENDATIONS

1	That the Committee support the proposed amendments to its terms of reference as set out in Appendix 2.

EDUCATION, YOUTH & CULTURE OVERVIEW AND SCRUTINY COMMITTEE

Date of Meeting	Thursday, 14 th July 2022
Report Subject	School Attendance and Exclusions
Cabinet Member	Leader of the Council and Cabinet Member for Education, Welsh Language, Culture and Leisure
Report Author	Chief Officer (Education & Youth)
Type of Report	Operational

EXECUTIVE SUMMARY

This report provides information with regards to the levels of attendance and exclusion across Flintshire schools including an outline of the main reasons for pupil absence and exclusion.

The data reported has been impacted on by the COVID-19 pandemic once again. Schools have experienced extended periods of closure during the academic year 2020/21 and Welsh Government suspended data collection and publication in 2020. This situation has once again prevented meaningful comparison with previous years' data for Flintshire and negated any accurate information that can be extracted from national trends.

Attendance across Flintshire schools has shown a general trend of reduction, with illness accounting for the majority of absences. Levels of persistent absenteeism remain comparatively high. The levels of permanent and fixed-term exclusion have been on an increasing trend, particularly in secondary schools but did show a reduction in 2020/21. Once again the data for the school year 2020/21 has been directly affected by COVID-19 lockdowns. Welsh Government First Release data publications have not been published as a result of the pandemic which means that we are unable to draw any comparison with trends across Wales.

Work has continued to review and develop service model and delivery to meet the Estyn recommendation in relation to increasing attendance and reducing the level of exclusion across the county.

RECOMMENDATIONS	
1	Members consider the attendance and exclusion data for Flintshire schools and the actions undertaken by officers to support increased engagement and the safety and wellbeing of our children and young people.
2	Members recognise that the data provided has been impacted by COVID-19 lockdown and school closures.

REPORT DETAILS

1.00	EXPLAINING THE SCHOOL ATTENDANCE AND EXCLUSIONS
1.01	<p>School attendance and exclusion data is usually published by Welsh Government (WG) retrospectively and in a number of different formats.</p> <p>However, during 2019/20, Welsh Government suspended data publications and performance measurement processes as a consequence of the COVID-19 pandemic. This report is therefore constructed utilising Flintshire County Council unverified data, extracted from local databases and covers both the primary and secondary sectors.</p> <p>The information provided in the appendices for 2020/21 relates to the period 1st September 2020 to the 23rd July 2021 when schools closed for the summer holiday.</p>
1.02	<p>Table 1 in Appendix 1 provides the overview of pupil attendance across both primary and secondary schools (mainstream and special) for the last 4 academic years. Primary attendance had remained fairly consistent over the previous 3 years however, local data confirms a further reduction for 20/21.</p> <p>Attendance in secondary schools dropped below the Welsh average in the years immediately prior to 19/20 and local data confirms that it fell to below 90% in 20/21. This was noticeable reduction, but it is in line with expectations given that WG implemented a new COVID-19 registration code that could be applied at schools' discretion. The levels of unauthorised absence remain relatively low but once again reflect the uncertainty about where to apply the bespoke COVID registration coding.</p>
1.03	<p>The high levels of authorised absence stated in Table 3 suggests that parents/carers are providing schools with acceptable reasons for absence and much of this absence reflects parental anxiety about the circulation of COVID-19. It can be seen in Table 3 that for 2020/21 the "I" mark (Illness as an explanation) surpasses all other marks approved by Headteachers. This suggests that Headteachers continued to work with their parents, taking account of their concerns about the impact the pandemic was</p>

	<p>having on their families. Holidays in the primary sector reduced for 2021 as a result of travel restrictions imposed nationally. Once again this reflects the significant impact of the COVID-19 lockdown, and the subsequent reopening in June 2020, during which holidays were not available to families on the usual terms.</p>
1.04	<p>Parents/carers are ultimately responsible for ensuring that their children attend school regularly. Headteachers understand the importance of attendance on pupil engagement and attainment. Headteachers have, in the main, developed a range of systems to encourage attendance and also seek timely information regarding pupil absence.</p>
1.05	<p>The Council employs a range of teams to support schools in their attempts to improve attendance. These include the Education Welfare Service (EWS) which has a statutory responsibility with regard to school attendance matters along with others teams such as Additional Learning Needs, Education Psychology, Young Person Counselling, Personal Support, TRAC, English as an Additional Language and Gypsy/Traveller services which offer specialist support to schools, families and individual pupils to improve their engagement levels.</p> <p>These services had significant roles to play during the lockdown period in particular. Officers adapted their delivery methods to support remote learning where relevant and also worked hard to maintain contact with pupils and families offering a range of welfare support. Services also had a key safeguarding role during this period, with home visits being undertaken where concerns were evident. As per the recommendations from the local authority Estyn inspection in 2019, the use of data is being increasingly used across services to facilitate targeted intervention at the earliest time possible.</p>
1.06	<p>The EWS implements the legal challenge to parents/carers on behalf of the Council in collaboration with the legal team where appropriate/necessary. The full range of legal powers that are usually available to support an improvement in attendance were suspended by Welsh Government during the lockdown period and have only been re-implemented in 2022. Such challenges can usually only be applied in cases where there are significant levels of unauthorised absences.</p> <p>Given that levels of this are usually extremely low, future work will need to be undertaken with schools to review the levels of authorised absence to ensure that there is sufficient scrutiny and challenge of the information provided if we are to secure an improvement in attendance levels across our schools.</p>
1.07	<p>The main factor impacting on attendance continues to be illness. Across the secondary sector, there has been increasing level of absence being attributed to mental health issues. The sustained lockdown period in 20/21 has resulted in a loss of routine as a consequence of school closure or due to restricted opening. The Council has a number of services which support</p>

	children and young people with mental health needs and there is regular engagement with health colleagues to consider the range of services available to Flintshire children and young people. The Welsh Government has made additional funding available to local authorities in the form of targeted grants to enhance provision to support this area of need, e.g. increased Counselling support and training/supervision for Emotional Literacy Support Assistants to deliver targeted intervention in schools.
1.08	The level of fixed term and permanent exclusion across our schools had generally been increasing, with the main reasons cited for exclusion being physical assault against a pupil, verbal/threatening behaviour against an adult, persistent and disruptive behaviour and 'other'. As with attendance, central services work in partnership with individuals, schools and families to offer support and intervention to prevent exclusion. The increasing complexity of need and wider contributing factors such as County Lines continues to make this increasingly difficult. Levels of exclusion in 2020/21 have reduced overall, but much of this can be attributed to the lengthy school closure as a result of national lockdown.
1.09	The need to support an improvement in attendance and a reduction in the level of exclusion had already been identified as a priority within the Education & Youth Business Plan. A Senior Learning Advisor for Engagement (SLA) was appointed in January 2020 to lead on this area and to address the Estyn recommendations. The SLA has undertaken an audit of the services and is implementing a range of changes to improve service consistency and accountability. A revised Mission Statement now underpins the EWS and working partnerships have been formed with targeted secondary schools to review and improve systems and practice. A revised approach to data analysis is also part of the new approach to enable resources to be targeted proactively as opposed to the more reactive service model. A regular internal audit is also taking place to ensure the LA meets the terms of the Estyn recommendations of 2019.
1.10	The impact of the COVID-19 pandemic has continued into 2021/22. Services are continuing to engage closely with schools, pupils and families to try and maintain levels of engagement and also secure a broad range of interventions to re-engage those who have been adversely impacted by the pandemic. However, the legacy of the pandemic and disruption to school routines remains significant.

2.00	RESOURCE IMPLICATIONS
2.01	The increasing levels of disengagement and exclusion continue to have a financial impact on schools and the Council. This is due to the additional resources required to engage those with more complex needs, such as officer capacity and bespoke provision programmes. This is currently being funded via a combination of school budgets, grant funding and Council service budgets. This is particularly evident in the increasing levels

	of expenditure around Home Tuition and for non-maintained placements referred to as 'Out of County', where the expenditure against education and social care is exceeding the allocated budget.
--	---

3.00	IMPACT ASSESSMENT AND RISK MANAGEMENT
3.01	There are a number of risks associated with increased levels of disengagement and pupil exclusion, including safeguarding, pupil wellbeing, pupil outcomes and financial expenditure. The regular monitoring of the Education & Youth Portfolio Business Plan along with the annual reports on attendance and exclusion to the Overview and Scrutiny committee will ensure that progress is checked and action taken to mitigate the identified risks.
3.02	<p>Additional work to improve data analysis and to profile statutory services is also ongoing. New strategic forums and a revised EOTAS (Education Other Than At School) structure are currently being implemented to attempt to address increasing demand for tuition and support for children with mental health and anxiety following the pandemic. Local Authority panels continue to meet regularly and to discuss pupils placed on EOTAS packages to ensure these pupils too were engaged or contacted.</p> <p>These activities ensure that the safeguarding of vulnerable pupils is paramount. In addition, key partnerships with schools have been established and projects put in place to attempt to engage pupils on their journey back to normal schooling. These partnerships have been supported by services across the Local Authority including the Youth Service.</p>

8.00	GLOSSARY OF TERMS
8.01	<p>Authorised absence - an absence with permission from a teacher or other authorised representative of the school. This includes instances of absence for which a satisfactory explanation has been provided (e.g. illness, family bereavement or religious observance).</p> <p>Unauthorised absence - an absence without permission from a teacher or other authorised representative of the school. This includes all unexplained or unjustified absences.</p> <p>Persistent absenteeism: absent for at least 20 per cent of the sessions that schools were open to pupils.</p> <p>County Lines: a term used when drug gangs from big cities expand their operations to smaller towns, often using violence to drive out local dealers and exploiting children and vulnerable people to sell drugs.</p> <p>Out of County Placements – provision that is not maintained by Flintshire County Council. This is usually highly specialist and is commissioned where the Council is not able to meet the pupil’s needs through its own internal provision.</p>

Appendix 1

1.1 Attendance in Flintshire Schools

Pupil attendance is measured at local and national level using a number of different factors. The COVID – 19 pandemic has however resulted in the suspension of the regular Welsh Government statistical updates that would provide contextual information with regards to attendance trends across Wales.

The information below utilises pre-existing WG statistical publications and is supplemented with data from within FCC for 2020/21.

Table 1 below contains information relating to the attendance of pupils within Flintshire’s mainstream and specialist schools. In the years preceding 2020/21, pupil attendance within the primary sector had remained fairly static. Attendance across secondary schools had seen a dip to below the Welsh average after 2016/17. Illness had been the main reason cited for absence in the years preceding 2020/21 and still accounts for the highest percentage of absence in both sectors.

Schools have generally maintained very low levels of unauthorised absence across Flintshire. There was a rise in authorised absence for the monitoring period in 2020/21. The overall picture for the monitoring period suggests a similar pattern of attendance to the previous year.

Table 2 shows the spread of attendance figures across primary and secondary mainstream schools from 2017/18 onwards. This table demonstrates some movement across the range in 2020/21, more so across the primary sector.

Table 3 provides a breakdown of all of the coding applied to authorise absence within Flintshire schools by percentages.

The data clearly demonstrates that illness has remained the predominant reason for pupil absence from Flintshire schools up to and including the period reported for 2020/21.

1.2 Exclusion of pupils from Flintshire schools

Welsh Government normally report annually on the national levels of fixed term and permanent exclusion. This is usually completed a year in arrears with a publication date in the month of October. As previously stated, WG data collection and publications have been suspended and internal data has been used to inform the report. On this occasion therefore, the data provided includes the academic year 2020/21.

The possible reasons for exclusion are recorded as follows:

- Physical assault against a pupil
- Physical assault against an adult
- Verbal abuse/threatening behaviour against a pupil

- Verbal abuse/threatening behaviour against an adult
- Bullying
- Racist abuse
- Sexual misconduct
- Drug and alcohol related
- Damage
- Theft
- Persistent disruptive behaviour
- Other

The level of exclusion across Flintshire schools started to rise noticeably from 2016 and mirrored a national trend across Wales. A reduction in the level of both permanent and fixed-term exclusion remains a priority for schools and the Education and Youth Portfolio and a number of strategic actions have been identified to support a reduction. These include awareness raising across the school sector of the impact of exclusion, investment in the training of school staff on the National Nurturing Schools Programme and a shift to a nurture/wellbeing emphasis for central services, e.g. Behaviour Support Team.

Table 4: Number of Permanent Exclusions from Flintshire Schools

Secondary	10	19	24	23

Table 5 shows the levels of fixed-term exclusion across primary and secondary schools. The figure within the brackets indicates the number of pupils who received one or more exclusion.

Reasons for exclusion.

The primary reasons for exclusion are documented in Table 6. As can be seen, the main reasons for exclusion remain Physical assault against a pupil, Verbal/threatening behaviour against an adult, Persistent disruptive behaviour and Other.

EDUCATION, YOUTH & CULTURE OVERVIEW AND SCRUTINY COMMITTEE

Date of Meeting	Thursday, 14 July 2022
Report Subject	Social Media and Internet Safety
Cabinet Member	Leader of the Council and Cabinet Member for Education, Welsh Language, Culture and Leisure
Report Author	Chief Officer (Education & Youth)
Type of Report	Operational

EXECUTIVE SUMMARY

Schools have statutory duties to operate in a way that ensures learners are safeguarded and that their wellbeing is promoted. There are many challenges for schools in addressing online safety including protecting children from inappropriate content, ensuring personal information remains private and promoting good practice among parents. Schools must ensure learners have high levels of digital literacy and are actively involved in the online safety provision. As a local authority we are committed to supporting schools to ensure they feel confident in their approach to online safety and helping them to develop effective policies and procedures.

This report has been developed to provide elected members with an update on the Education and Youth Portfolio's Social Media and Internet Safety policy and provision, following the previous report given in 2021.

RECOMMENDATIONS

1	That members confirm they have received an appropriate level of assurance regarding the support and monitoring of schools with regard to social media and internet safety.
2	For members to consider for future reporting that Online Safety is incorporated within the annual Safeguarding in Education report.

REPORT DETAILS

1.00	EXPLAINING THE SOCIAL MEDIA AND INTERNET SAFETY REPORT
1.01	<p>The local authority provides advice to schools on information assurance and safeguarding through various approaches. These include the Safeguarding Children Annual Report which includes review of Disclosure and Barring Service (DBS) checks, safeguarding training and policies that schools completed and submit to the authority. Schools identify all the policies they have in place and their review dates. Relevant policies include Social Media, Acceptable Use of IT, E-safety, Safeguarding, Anti-Bullying, Data Protection, Information Security and Anti-Radicalisation as examples. Schools have also completed the Keeping Learners Safe Audit Tool which supports schools to review their safeguarding arrangements.</p>
1.02	<p>Where themes and trends are identified upon review of this information we will prioritise support accordingly; either on an individual school level or through a broader approach, including training or the development of a model policy. The Edtech Lead Officer within the Education Portfolio will support schools to embed online safety within their School Development Plans where it is not currently evident.</p>
1.03	<p>As a local authority we can also monitor the uptake of the 360° Safe Cymru Tool by our schools and the Edtech Lead Officer will revisit schools that need support. The 360° Safe Cymru Tool is hosted on the national learning platform, Hwb, and allows schools to self-assess their online safety provision, produce action plans and access good practice resources. The tool provides links to a wide range of good practice template policies, websites and documents.</p> <p>Evidence suggest that schools which use the 360° Safe Cymru Tool have made significant improvements in their online safety provision. 360° Safe Cymru helps schools continue to meet statutory requirements and adapt to changes in national guidance such as the Prevent counter-terrorism agenda and the General Data Protection Regulations.</p>
1.04	<p>In order for the curriculum to support the development of safe, resilient and responsible users of online resources, schools are encouraged to take part in key campaigns such as Safer Internet Day. Safer Internet Day took place this year on 8th February and the theme was 'Exploring respect and relationships online'. The day provided an opportunity to talk about how to use technology responsibly and the importance of being respectful online and creating a safer internet.</p> <p>Education programmes including the All Wales School Liaison Core Programme address various themes as part of their targeted delivery in both Key Stage 2 and 3 e.g. internet safety, cyberbullying and sexting.</p>
1.05	<p>The Regional School Improvement Service, GwE, also provides training on e-safety. Flintshire's Network Lead has also arranged regular safety training updates. During this current term a cyber security module has been shared with all schools adapted by the ICT Business Partnership team. Regular updates are shared with schools from the national Safeguarding in Education meetings which are attended by the Learning Advisor and the</p>

	<p>'Keeping Safe' area on Hwb is also promoted. The Edtech Lead and Learning Advisor have worked with Welsh Government on the consultation for the new web-safe tools. Online safety is a regular agenda item at the Flintshire Deputy Head network meetings and the Small Schools network.</p>
1.06	<p>The local authority monitors and records reported online safety incidents involving learners via the 'Challenging Bullying' online reporting system. This was introduced in September 2021. All online safety incidents within school are reported on their electronic child protection management system. If the concern is regarding a failure of filtering, the school immediately contacts their federated technician and the IT business partner. The IT business team can run websafe filtering to see if there have been any incidences by a pupil or school staff. The IT Service Level Agreement provides for web filtering in all schools.</p>
1.07	<p>Hwb Keeping Safe Online - Updated content</p> <p>Keeping Safe Online is a dedicated area on the national Hwb platform for the latest news, guidance, resources and training on a range of online safety, cyber resilience and data protection issues to help schools, staff, parents and children stay safe and secure online. It is regularly updated and is an invaluable resource.</p>
1.08	<p>A new 'Online issues and worries' section has been launched this term on Hwb which is directly for children and young people. It has been written by and for young people and covers ten different areas that were chosen by them: inappropriate or offensive content, online bullying, online gaming, online grooming, online hate, online radicalization and extremism, online reputation for print, online sexual harassment, sharing nudes and social media. The advice pages offer children and young people important information and guidance on what to do and where to turn for help if they are worried about something that has happened online.</p>
1.09	<p>A range of resources on Hwb were also launched this spring to support Safer Internet Day called 'All fun and games?' They can be used all year around for exploring respect and relationships online with a focus on gaming and interactive entertainment spaces. There are tailored activities and resources for the full age range (3-18years) and a guide for parents and carers.</p>
1.10	<p>In spring 2022 a number of guides with a focus on understanding more about cybercrime were published on Hwb; 'Be cyber smart to avoid cybercrime' – for educational practitioners, families and governors. The Guide for Governors addresses their role in supporting the school to teach about and protect itself from cybercrime. It provides an overview of what cybercrime is, the risks that cybercrime present, what the school's responsibilities are and where to go for help. This has also coincided with the Council's cybersecurity training modules which were launched this year as mandatory training for all staff.</p>
1.11	<p>School Health Research Network (SHRN)</p> <p>The School Health Research Network (SHRN) conduct a national health and wellbeing survey every two years with secondary school aged children in Wales.</p>

	<p>The most recent survey was conducted during the autumn term 2021; 6959 pupils from all 11 secondary schools in Flintshire participated in the survey. This is higher than the first survey undertaken in autumn 2017 which had 6585 participants. The majority of secondary schools in Wales take part in the SHRN survey and the national findings will be published in a report due for publication in the autumn term.</p>
1.12	<p>Following the survey, schools received an individual report of their findings at the end of the spring term 2022, and members of the Healthy Schools Team are in the process of developing one page profiles for the school and providing support in the development of their action plans.</p> <p>Survey questions relevant to this report include: cyberbullying, explicit images and online contact with friends they got to know through the internet.</p> <p>Students who have ever sent someone a sexually explicit image of themselves: on average 11% of Flintshire learners reported that they have sent a sexually explicit image of themselves, which is 2% higher than the national average. This is higher than in 2019 by 1%.</p> <p>Students who have been cyberbullied in the past couple of months*: (*Includes students who have been bullied once or more in the past couple of months): On average 21% of Flintshire learners reported that they had been cyberbullied in the past couple of months which is 3% higher than the national average of 18%. This is higher than in 2019 by 1%.</p> <p>Students who have online contact almost all the time throughout the day with friends they got to know through the internet: on average 7% of Flintshire learners reported that they had online contact almost all the time throughout the day with friends they got to know through the internet. This is the same as the national average. The term 'online contact' in the context of this survey question relates to 'sending and receiving text messages, emoticons, and photo, video or audio messages through instant messaging (e.g. WhatsApp, Snapchat), social network sites (e.g. Facebook) or e-mail (on a computer, laptop, tablet, or smartphone)'. This figure is 2% higher than in 2019.</p>
1.13	<p>As a local authority we are currently reviewing and reflecting on all the data in the report and the Flintshire SHRN Action Plan 2019-2024 is being updated to reflect this, with identified themes prioritised for action with key partners. The implementation of this important work is overseen by the Council's Emotional Wellbeing Steering Group.</p>
1.14	<p>#FCCBeKindOnline</p> <p>Following previous actions as agreed from this Committee a new campaign called #FCCBeKindOnline was launched on Flintshire's website on Tuesday 8th February 2022 and coincided with Safer Internet Day 2022. The campaign was an opportunity for the authority to demonstrate its commitment to this message and encourage everybody to embrace respect, empathy, and kindness online. The campaign also promotes the safe and</p>

	positive use of digital channels when communicating with Council services with the introduction of social media house rules.
1.15	The Council's social media house rules are accessible on the Be Kind Online page and have been designed for everyone choosing to communicate with Council services through social media platforms e.g. Facebook, Twitter, Instagram, LinkedIn. They outline what the expected behaviour is, but also examples of what is considered unacceptable behaviour and what the Council will do when the house rules are breached. Inappropriate behaviour is managed through the Council's Managing Customer Behaviour Policy.
1.16	The dedicated web page on the Council site enabled people to make a pledge: as an Individual (young person or adult) living in Flintshire; a School, Business or Club/ Community organisation in Flintshire. A pledge card was designated to be used as a tool to promote discussion about the 'be kind' message and learners in some schools came up with their own personal pledges. Photographs of children, young people and staff with their pledges have been shared via the council's social media platforms to raise awareness using the hashtag #FCCBekindOnline. Two members workshop were also held.
1.17	As the Education Portfolio provides an annual Safeguarding Children report to the joint Education and Health and Social Care Committee, members are asked to consider whether they wish to continue to receive a separate report on Social Media and Internet Safety or whether it could be incorporated into the annual safeguarding report so that all relevant information is contained within a single and comprehensive report.

2.00	RESOURCE IMPLICATIONS
2.01	The provision for support for schools comes predominately through GwE, the regional school improvement service and Hwb. The Learning Advisor and EdTeach Lead are funded through the local authority's school improvement service.

3.00	IMPACT ASSESSMENT AND RISK MANAGEMENT
	<p>The risk for the Local Authority is the potential to breach of statutory legislation related to safeguarding and the wellbeing of children. This includes the Social Services and Wellbeing (Wales) Act 2014 and the Wales Safeguarding Procedures 2020. There is also potential for reputational damage and negative press coverage if there are significant breaches of policy involving learners or Flintshire employees in relation to internet and/or social media activity and findings from Estyn Inspections.</p> <p>This risk is mitigated by the Council having named officers with specific responsibilities for safeguarding in schools. The Council also provides firewall and web filtering services to schools via a service level agreement.</p>

	A rolling safeguarding training programme for head teachers / designated safeguarding leads is in place. The dissemination of relevant information to schools is undertaken, alongside the monitoring of self-evaluations and annual reporting by schools on the implementation of relevant policies including Safeguarding, and Acceptable Use.

EDUCATION, YOUTH & CULTURE OVERVIEW & SCRUTINY COMMITTEE

Date of Meeting	Thursday 14 th July, 2022
Report Subject	End of Year Performance Monitoring Report
Cabinet Member	Leader of the Council and Cabinet Member for Education, Welsh Language, Culture and Leisure
Report Author	Chief Officer (Education & Youth)
Type of Report	Strategic

EXECUTIVE SUMMARY

Flintshire County Council Reporting Measures 2020/21 were identified by portfolios and approved by Cabinet in September 2020. The Council Plan 2021/22 was adopted by the Council in June 2021 and this report presents a summary of the annual out-turn of progress against the Council Plan priorities relevant to the Education, Youth & Culture Overview & Scrutiny Committee.

This out-turn report for the 2021/22 Council Plan shows 73% of activities are making good progress with 74% likely to achieve their planned outcomes. 73% of the performance indicators have met or exceeded their targets, 9% are being closely monitored and 18% are currently not meeting target.

This report is an exception-based report and concentrates on those areas of performance which are not currently achieving their target.

RECOMMENDATION

1.	To support levels of progress and confidence in the achievement of priorities within 2021/22 Council Plan.
2.	To support overall performance against 2021/22 Council Plan performance indicators.
3.	To be assured by explanations given for those areas of underperformance.

REPORT DETAILS

1.00	EXPLAINING THE PERFORMANCE AT YEAR-END 2021/2022
1.01	The Council Plan performance report provides an explanation of the progress made towards the delivery of the priorities set out in the 2021/22 Council Plan. The narrative is supported by information on performance indicators and/or milestones.
1.02	This report is an exception-based report and concentrates on those areas of performance which are not currently achieving their target.
1.03	<p>Monitoring our Performance</p> <p>Analysis of performance against the performance indicators is undertaken using the RAG status. This is defined as:</p> <ul style="list-style-type: none"> • RED - under-performance against target. • AMBER - where improvement may have been made but performance has missed the target. • GREEN - positive performance against target.
1.04	<p>Analysis of current levels of performance against target shows the following:</p> <ul style="list-style-type: none"> • 44 (73%) have achieved a green RAG status • 5 (9%) have an amber RAG status • 11 (18%) have a red RAG status
1.05	There are no performance indicators (PIs) showing a red RAG status for current performance against target, relevant to the Education, Youth & Culture Overview & Scrutiny Committee.

Council’s Well-being Objectives

The Council undertook a review of its Well-being Objectives during the development of the 2021/22 Council Plan. The updated set of Well-being Objectives are a more focused set of six. The Well-being Objectives identified have associated themes for which they resonate. See the full list below.

Theme	Well-being Objective
Poverty	Protecting people from poverty by supporting them to meet their basic needs
Affordable and Accessible Housing	Housing in Flintshire meeting the needs of our residents and supporting safer communities
Green Society and Environment	Limiting the impact of the Council’s services on the natural environment and supporting the wider communities of Flintshire to reduce their own carbon footprint
Economy	Enabling a sustainable economic recovery
Personal and Community Well-being	Supporting people in need to live as well as they can
Education and Skills	Enabling and Supporting Learning Communities

This initiative was more challenging to deliver during the pandemic due to changes to how secondary schools operated with Covid restrictions in place. Secondary schools worked closely with NEWydd to implement as far as possible and there are varying models of delivery currently with nine schools offering provision through this initiative. Two schools were already providing access to free breakfast for Free School Meals pupils. The main challenge currently is that a large percentage of the recording is needed to be done manually. Work will continue in supporting schools with this initiative, on encouraging further take-up and developing a more sustainable recording process through the cashless dining system.

Continuing to broaden the offer of alternative education opportunities to support learner engagement	100%	★	★	A broader range of alternative provision has been identified and secured across the year in response to both the curricular and health and wellbeing needs of learners. The availability of these opportunities has supported the engagement of learners who struggle to access more formal education.
Continuing to improve attendance and reduce exclusions to maximise educational achievement	100%	★	●	The Education Welfare Service prioritises its use of data to target pupil engagement. There is enhanced information sharing with the Early Help Hub and use of a range of statutory interventions to support improved pupil attendance. However, the overall influence of these activities on levels of attendance and exclusions remains a challenge due to the disruption caused by the pandemic.
Tudalen 72 Maintaining support for the rollout of the revised curriculum for pupils from 3-16 which better prepares them for their future lives and employment	100%	★	★	<p>All schools have actively engaged during the year in Curriculum for Wales Cluster collaboration. Support from the regional consortia (GwE) has been targeted to support schools in making progress against their improvement plans. Each plan identifies how schools address specific aspects including professional learning to support all staff; effective deployment of grants; trialling and evaluating approaches within curriculum design across all six Areas of Learning Experiences (AOLEs) and wider engagement with stakeholders.</p> <p>All Flintshire schools have an allocated Supporting Improvement Adviser (SIA) through the regional school improvement service (GwE). All schools have engaged effectively with local 'alliances' or 'clusters' where they have collaborated with peers to identify, develop and share blended learning resources.</p> <p>In secondary schools, teaching and learning leaders in schools have been involved forums for improving pedagogy in their schools.</p> <p>Support continued during the year for the very small number of schools in Flintshire who were in an Estyn category. One secondary school was removed from the category of Estyn Review in December 2021 and one primary school from the category of Special Measures in March 2022. All schools have access to and are engaging in the national professional learning offer as part of the support to schools for the new Curriculum for Wales. This cross regional offer is aimed at supporting all school practitioners. All schools continue to be actively involved in Curriculum for Wales Cluster collaboration. Support from the regional consortia (GwE) is targeted to ensure that all schools continue to make progress against their improvement plans.

All Flintshire schools have an allocated Supporting Improvement Adviser (SIA) through the regional school improvement service (GwE). Working closely with their SIA, schools have continued to adapt their plans to reflect the ongoing challenges of the pandemic. Schools have an additional In Service Training Day for this summer term to support their preparations. All primary schools will begin to implement the new curriculum from September 2022. Secondary schools have been given the option to delay the start of implementation until September 2023.

The majority of schools who recorded their progress against the ALN milestones indicated progress in all areas. A small minority indicated that progress was not on track against one of the milestones due to pressures related to Covid-19. Training was offered to schools in areas where they had identified they needed support.

Continuing to improve pupils' standards of Welsh in all schools to encourage greater bilingualism	100%	★	★	The Flintshire Welsh Advisory Team moved to delivering online professional development courses for Welsh coordinators in Flintshire primary schools as a result of the pandemic. English medium primary schools have received a copy of 'Language patterns to Develop Welsh in English medium Primary Schools.' This resource, developed inhouse, has been well received by schools. It focuses on suitable everyday Welsh language and planning Welsh across the curriculum. Cluster working for Welsh has strengthened over the last two years and is now an embedded sustainable model of school-to-school collaboration. Clusters work closely with the Welsh Advisory Team and the regional consortium, GwE. Network meetings of Heads of Welsh Departments in secondary schools and skills working groups have been held during the year. GwE offered a programme of specific training for Welsh departments on their Reform Journey towards the delivery of the Curriculum for Wales.
Extending the range of youth services which can be delivered bilingually to encourage young people to retain and use their Welsh language skills into early adulthood	100%	★	★	The Welsh Language Coordinator continues to provide support and training to staff within the Integrated Youth Provision and is also working directly with young people in youth clubs and in schools to promote Welsh language skills as part of the Council's commitment to the Welsh Government target of one million Welsh speakers by 2050.
Improving the Welsh language skills of staff in schools to more effectively support learners and the delivery of the curriculum	100%	★	★	The Flintshire Welsh Advisory Team continued to deliver online training for Welsh Coordinators during the academic year. English medium primary schools received a copy of the resource developed by the team, 'Language patterns to Develop Welsh in English medium Primary Schools.' the Welsh Advisory Team visited schools for bespoke classroom support where appropriate during the year. Bespoke support was provided for Newly Qualified Teachers or teachers who are new to the Welsh language Foundation Phase and Key Stage 2. An additional session was included to meet increased demand as a result of the Welsh Government funded scheme for newly qualified teachers. Two Flintshire teachers completed in summer 2021, the Sabbatical Scheme, Welsh in a Year Course 2020/21 and they continue to be supported to embed practice in their own school. There are 21 Flintshire practitioners currently completing the 'Croeso' online training: Practitioners in Education.

Increasing the capacity and take up of Welsh medium education to achieve Welsh Government targets	100%	★	★	<p>The Council's current Welsh medium education capital programme is making good progress. This includes enhancing provision at Ysgol Glanrafon, Yr Wyddgrug, Ysgol Croes Atti, Glannau Dyfrdwy and Ysgol Croes Atti Flint. The Council has submitted an expression of interest for additional Welsh Government Welsh Medium (WM) Grant Funding. Following a statutory consultation period, Flintshire's draft ten-year plan was considered by Cabinet in February and approved for implementation, subject to approval by Welsh Ministers. This ten-year Plan will commence on 1 September 2022 and expire on 31 August 2032. The Plan includes a new target outlining the expected increase in the number of Year 1 learners taught through the medium of Welsh in the local authority area during the lifespan of the Plan. Councils have been grouped by Welsh Government into different categories reflecting the current similarities and differences between the 22 local authorities in Wales. For this purpose, Flintshire has been placed in Group 4; Group 4: 12 percent or fewer of Year 1 children in these local authorities were being taught through the medium of Welsh in 2017/18. There is a choice between Welsh-medium education and English-medium education in these local authorities.</p> <p>Welsh Government has established a lower range and an upper range target for Flintshire. The Council will need to look to increase the number of Year 1 pupils being taught through the medium of Welsh to between 225 and 295 pupils over the ten years of this Plan. In 2020/21, a total of 119 five year olds were educated through the medium of Welsh. This represented 7% of all five year old children educated.</p>

Flintshire has one Welsh medium secondary school, which offers the opportunity for every learner to study for assessed qualifications in Welsh first language. The target of increasing the number of pupils overall remains within Outcome 4 of the Welsh Education Strategic Plan (2022-2032) and this must be achieved by improving the percentage of Welsh medium take up at primary school level and those pupils then making the transfer into Welsh medium secondary education.
