<p>Key Conclusion 2: Too often, care homes are seen as places of irreversible decline and too many older people are unable to access specialist services and support that would help them to have the best quality of life.</p> <p>Link to Welsh Government policy and legislative areas: Social Services and Wellbeing (Wales) Act and National Outcomes Framework, Sustainable Social Services: A Framework for Action, Together for Health – Stroke Delivery Plan 2012-16</p>			
2.2 Older people in care homes have access to specialist services and, where appropriate, multidisciplinary care that is designed to support rehabilitation after a period of ill health.	Older people receive full support, following a period of significant ill health, for example following a fall, or stroke, to enable them to maximise their independence and quality of life.	<ol style="list-style-type: none"> 1. Consider how to roll out and embed the reablement approach in all homes Progress Feb 2018: We are currently working on an approach that will be suitable for all homes within the county. 2.
