EXECUTIVE SUMMARY

To provide an overview of the Flintshire Public Services Board (PSB) and of the work of the Board following adoption of the Well-being Plan (the Plan).

The Public Services Board was formed in April 2016, as a statutory responsibility of the Well-being of Future Generations (Wales) Act 2015. Its work has focused on the production of the Well-being Assessment and the development of the Well-being Plan which had to be published in May 2018. The Plan has been developed alongside the Council Plan and provides a strong alignment and 'fit' with the priorities.

The Well-being Plan was adopted by County Council in April 2018.

Good progress against the delivery of the priorities within the Well-being Plan has been made and partnership working across the organisations remains strong.

RECOMMENDATIONS

1	That Members are assured of the level of progress that Flintshire Public Services Board (PSB) has made to date.

REPORT DETAILS

1.00	OVERVIEW OF THE PUBLIC SERVICES BOARD
1.01	<p>Flintshire has a longstanding and proud track record of partnership working. The communities it serves expect statutory and third sector partners to work together with shared priorities. The Local Services Board (LSB) preceded the statutory Flintshire Public Services Board (PSB) with similar partner membership and was at the heart of promoting a positive culture of working together and concentrating energy, effort and resources on providing efficient and effective public services.</p>
1.02	<p>The Flintshire PSB is made up of senior leaders from a number of public and voluntary organisations. The Board has a membership made up of both statutory and invited members as listed below:</p> <p><u>Statutory members:</u></p> <ul style="list-style-type: none"> • Betsi Cadwaladr University Health Board • Flintshire County Council • Natural Resources Wales • North Wales Fire and Rescue Service <p><u>Non statutory (invited) members:</u></p> <ul style="list-style-type: none"> • Coleg Cambria • Flintshire Local Voluntary Council • Glyndŵr University • National Probation Service (Wales) • North Wales Police • Public Health Wales • Wales Community Rehabilitation Company • Welsh Government <p>All these leaders work well together demonstrating creativity, willingness and accountability within a strong leadership framework. There is equal parity amongst the Board membership despite statutory status.</p>
1.03	<p>The high level aim of the Flintshire PSB is to “protect, sustain and improve the economic, social, environmental and cultural well-being of Flintshire through collaborative working as a single public service”.</p>
1.04	<p>Since the introduction of the Well-being of Future Generations Act (Wales) 2015, the Flintshire PSB has made much progress towards achieving the main duties of the Act.</p>
1.05	<p>In fulfilling its roles and activities the Board will contribute to the seven national well-being goals. Public sector partners work together to achieve these goals.</p>

1.06	PSB PROGRESS – MID YEAR REVIEW
1.07	The PSB endorsed the Plan as a collective at its meeting on 14 March 2018.
1.08	Flintshire County Council, as both a statutory partner and as the lead partner for coordinating the Plan, adopted the Well-being Plan on 24 April 2018.
1.09	<p>The Well-being Plan for Flintshire was published in May 2018 as prescribed by the Act.</p> <p>There are 5 priority areas within the Plan:</p> <ul style="list-style-type: none"> • Community Safety • Economy and Skills • Environment • Healthy and Independent Living • Resilient Communities
1.10	For this year the PSB has decided to concentrate effort on four of the five agreed priorities with the Economy and Skills priority to be put on hold pending clearer regional direction on (1) the Growth Deal and (2) Regional Economic Planning by Welsh Government. The PSB will then have more certainty where it might add value to regional activity.
1.11	Delivery Plans have been developed for each priority to support the achievement against the actions and impacts and risks detailed within the Plan. These were endorsed by the PSB at its meeting in July 2018.
1.12	Mid-Year progress reports for four of the five PSB Priorities were prepared and presented to the Board at its meeting in October 2018. Positive progress has been made; a summary of progress for four of the five priorities can be found at Appendix A.
1.13	All PSB meetings ensure that progress is maintained as well as raising any risks to delivery.
1.14	GOVERNANCE ARRANGEMENTS
1.15	The Public Services Board (PSB) is accountable for the delivery of the well-being Plan and will monitor, along with its partners, progress and achievements made.
1.16	<p>The Well-being Priorities have been weaved and integrated into existing and future documents such as the Council Plan. Other partners have been encouraged to develop similar thinking.</p> <p>The tracking of the Plan will then align more naturally as part of the organisations' own monitoring arrangements.</p>
1.17	Each partner organisation has been encouraged to monitor their own Well-being Objectives and report them through their own reporting bodies.

1.18	REGIONAL WORKING
1.19	<p>The four PSBs in North Wales are comprised of single and joint council areas:</p> <ul style="list-style-type: none"> • Conwy and Denbighshire joint PSB • Gwynedd and Ynys Mon joint PSB • Flintshire PSB • Wrexham PS <p>A regional officer group has been formed to identify areas for joint working; to reduce areas of duplication and also to determine and oversee a small regional grant from Welsh Government.</p> <p>Part of the grant this year is going towards supporting a regional conference for Town and Community Councils to find out more about the local PSBs, to consider the Well-being plans of the four PSBs in North Wales, and to understand how Town & Community Councils and PSBs can work together to improve well-being in their local area. In particular it will focus on the requirements placed on some of the larger (turnover) Town & Community Councils, including the production of an annual community report.</p>
1.20	NEXT STEPS
1.21	The Board will undertake regular reviews of the Plan to ensure that the in-year priorities reflect current need whilst ensuring that progress is being made.
1.22	Public reporting on progress against the in-year priorities and key developments will be made available on the Public Services Board pages of the Council's website. Other methods of communication will also be used e.g. e-Council Newsletter and partner's e-Newsletters.
1.23	The PSB will prepare and publish its first annual report by July 2018 (no later than 14 months after the publication of the Plan) in line with requirements set out within the Act.

2.00	RESOURCE IMPLICATIONS
2.01	<p>Administrative support for the Board is provided by Flintshire County Council. This includes:</p> <ul style="list-style-type: none"> • Ensuring the Board meets regularly • Preparing the agenda and commissioning papers for meetings • Co-ordinating the annual governance assessment of the Board and its sub groups • Inviting participants and managing attendance • Work on the annual report • Preparation of evidence for scrutiny. <p>This arrangement will be reviewed annually.</p>
