2.00	RESOURCE IMPLICATIONS
2.01	The HRA is a ring fenced budget. This HRA budget and Business Plan demonstrates that the council can achieve the WHQS by 2020, can meet service improvement plans and commitments and with prudential borrowing can continue its Council house building programme in 2020.

3.00	IMPACT ASSESSMENT AND RISK MANAGEMENT
3.01	All Council households will benefit from the Councils WHQS programme. The impact of the investment planning and efficiencies is being modelled for various customer groups to ensure that there is no disproportionate impact on any groups with protected characteristics.
4.02	The Business Plan assumes a confirmation of Major Repairs Allowance (MRA) for 2020/21 and beyond, however, Welsh Government have indicated that the purpose of the funding will be reviewed in the future.
4.03	The potential impact of BREXIT on interest rates and inflation has been mitigated by increasing the estimated assumptions included in the business plan.

4.00	CONSULTATIONS REQUIRED / CARRIED OUT
4.01	Detailed consultation has been undertaken with tenants and elected members to inform the preparation of the WHQS investment programme.
4.02	Full local consultation is carried out for each new build scheme.
