

AGENDA ITEM NUMBER 10: QUESTIONS

(1) Councillor Bernie Attridge:

Can the Leader of the Council confirm that the Largest Town in Flintshire Connah's Quay will re-open its Sports Centre for community use that was agreed by a previous Labour Administration?

(2) Councillor Bernie Attridge:

Can the Cabinet Member for Housing confirm to full Council that his administration has no plans to privatise our Direct Labour Organisation in our HRA? If there are no plans to privatise can you advise what plans are there to expand the workforce so we don't have to rely on Contractors to fill the gaps.
