EXECUTIVE SUMMARY

This report (1) confirms that the local elections were conducted in accordance with elections law, guidance and common practice, and to the performance standards set for Returning Officers and (2) provides the election results and sets out the political composition of the Council for the new term.

RECOMMENDATIONS

1	That the County Council notes the report.
---	---

REPORT DETAILS

1.00	ELECTIONS MANAGEMENT
1.01	This report reports on the conduct and results of the local elections held on 4 th May. The planning and management of the elections is a major undertaking for the Elections Team. Election management is highly procedural, involves a large volume of work in a short and pressurised timescale, and has to be done with precision and accuracy.
1.02	The 2017 combined County Council and Town and Community Councils elections were managed effectively and to a high standard. The elections were conducted in accordance with elections law, guidance and common practice. The performance standards set for Returning Officers continue to be met in full by Flintshire. Our performance is accredited by the Electoral Commission.
1.03	The Returning Officer and Elections Team have evaluated performance and learning from these elections both for sharing with the Electoral Commission for their national evaluative report and for future elections planning.
1.04	The full results for the County Council elections are listed in Appendix 1. The full set of results for the Town and Community Elections are listed on the Council's website:- http://committeemeetings.flintshire.gov.uk/mgElectionResults.aspx?ID=54&RPID=3663355&LLL=0

2.00	RETURNING OFFICER'S COMMENTS
2.01	I would like to express my appreciation for the dedication and professionalism of the Elections and Count Management teams and for the co-operation of all involved in the elections process, including the many local organisations who made their premises available as polling stations and Coleg Cambria for the availability of the Count Centre. Also, for the cooperation of most candidates, agents, political parties and campaign activists for following the advice and guidance given.
2.02	The Elections Team and I have evaluated performance and learning from the elections both for sharing with the Electoral Commission for their national evaluative report, and for future elections planning. Flintshire continues to be held in high regard for its elections management conduct and practice.

3.00	ELECTION RESULTS
3.01	The details of the votes cast for each candidate and the outcome of the election for each electoral division are set out in Appendix 1 of the report. The overall turnout for the election was 38.73% of the electorate. 15,514 postal votes were issued and 10,525 returned.

4.00	POLITICAL COMPOSITION														
4.01	<p>The political composition of the Council, according to the affiliations of the elected candidates as disclosed on their nomination papers for the election is as follows:</p> <table border="1"> <tr> <td>Conservative</td> <td>6</td> </tr> <tr> <td>Green</td> <td>0</td> </tr> <tr> <td>Independent</td> <td>23</td> </tr> <tr> <td>Labour</td> <td>34</td> </tr> <tr> <td>Liberal Democrat</td> <td>5</td> </tr> <tr> <td>Plaid Cymru</td> <td>0</td> </tr> <tr> <td>Other</td> <td>2</td> </tr> </table>	Conservative	6	Green	0	Independent	23	Labour	34	Liberal Democrat	5	Plaid Cymru	0	Other	2

5.00	RESOURCE IMPLICATIONS
5.01	The local elections budget has been built up through a combination of previous Council elections funds and contributions from previous nationally funded elections which we are entitled to retain. A reserve of £138,000 has been built up going into 2017/18. This will be more than sufficient to meet the balance of the cost of these elections to be paid in 2017/18. Town and Community Councils are yet to be recharged for their financial contribution to the management of the election so there will be some replenishment of the reserve. This is a prudent way of funding the local elections at minimum cost exposure to the Council.

6.00	CONSULTATIONS REQUIRED / CARRIED OUT
6.01	None.

7.00	RISK MANAGEMENT
7.01	The Returning Officer and Elections Team maintain a Project Plan and Risk Register throughout the planning and implementation stages of the elections. This is reviewed at regular intervals. All risks were managed effectively.

8.00	APPENDICES
8.01	Appendix 1: Flintshire County Council Elections Results.

9.00	LIST OF ACCESSIBLE BACKGROUND DOCUMENTS
9.01	None. Contact Officer: Colin Everett, Chief Executive Telephone: 01352 702101 E-mail: chief.executive@flintshire.gov.uk

FLINTSHIRE COUNTY COUNCIL

Date of Meeting	Thursday, 18 th May 2017
Report Subject	Constitutional Matters: Committees and Internal Bodies
Report Author	Chief Officer (Governance)

EXECUTIVE SUMMARY

Every year the Council must agree what arrangements it will make to carry out its functions, such as its committee structure and delegation to officers. These matters are set out in Council Procedure Rule 1.1 (vii)-(xiv) and are determined at the Annual Meeting.

The report is split into sections, each one dealing with one decision that needs to be made and the relevant issues to consider. Each section will need to be considered and voted on in turn at the meeting.

In addition, because this year is the start of a new Council term, Council must consider the appointment of a new lay member to the Audit Committee (see separate report) and must approve the process for selecting a town and community representative on the Standards Committee.

This year there are also a number of changes to be made over how the Planning Committee will operate. These changes are required to comply with legislation, which came into force on 5 May 2017.

RECOMMENDATIONS

1	That the Constitution Committee be incorporated into the Democratic Services Committee, and that Full Council should review, make or revoke by laws.
2	That Council appoint the following committees: <ul style="list-style-type: none">• Audit• Clwyd Pension Fund• Constitution and Democratic Services Committee• Joint Governance Committee (for pensions)

	<ul style="list-style-type: none"> • Licensing • Planning • Standards • The Six Overview and Scrutiny Committees listed above
3	That the Constitution be amended to reflect the committees appointed.
4	That the terms of reference for each committee in Part 2 of the Constitution should be approved (noting the changes proposed in respect of the Constitution and Democratic Services Committees).
5	That the size of each Committee should be as set out in paragraph 1.06, noting the restrictions that must now apply to the membership of the Planning Committee.
6	<p>That:</p> <p>1) the Constitution be amended to show that no substitutes are permitted on the Planning Committee and that its quorum shall be 50%</p> <p>2) that the Constitution be amended so that in the event of 2 members from a multiple member ward being nominated to the Planning Committee, then the seat will be allocated</p> <ul style="list-style-type: none"> • in the first instance by agreement between the 2 respective group leaders; and • in the event that agreement is not possible, to the first nomination to be received by the proper officer.
7	That seats be allocated in accordance with the requirements of political balance (and the rules on membership of the Planning Committee).
8	<p>That Council appoints the Chair of the following Committees (noting any restrictions on eligibility):</p> <ul style="list-style-type: none"> ○ Clwyd Pension Fund ○ Constitution and Democratic Services ○ Licensing ○ Planning and Development
9	That Council decides which group will chair each Overview and Scrutiny Committee.
10	That Local Choice Functions as set out in the Constitution be approved.
11	That the make-up of the Appointments Committee be approved.
12	That 3 county councillors be appointed to the Standards Committee.
13	That the town and community councils be consulted on the reappointment of the town and community representative to the Standards Committee, and that the current representative continue in office until such time as he is reappointed or a new appointment is made.

REPORT DETAILS

1.00	CONSTITUTIONAL MATTERS
	<u>APPOINTMENT OF COMMITTEES</u>
1.01	<p>The Constitution presently provides for the appointment of the following committees:-</p> <ul style="list-style-type: none">• Audit• Clwyd Pension Fund Committee• Constitution Committee• Democratic Services Committee• Joint Governance Committee (for Pensions)• Licensing Committee• Planning and Development Control• Standards Committee <p>Plus six Overview and Scrutiny Committees (OSC's) which will be as shown below</p> <ul style="list-style-type: none">• Community and Enterprise• Corporate Resources• Education and Youth• Environment• Organisational Change• Social & Healthcare
1.02	<p>The Constitution Committee and Democratic Services Committee have very similar roles, and have previously had the same chair and an almost identical membership. At the last meeting of the Constitution Committee there was a request for the two committees to be combined because their roles are entirely compatible and the overlap in functions makes it nonsensical to appoint two separate committees. The Local Government Measure 2011, requiring the Council to establish the Democratic Services Committee, prohibits the allocation to it of functions over and above its statutory remit.</p> <p>However other councils in Wales take the view that the statutory remit of the Democratic Services Committee to “review the adequacy of provision by the authority of staff, accommodation <i>and other resources</i> [my emphasis] to discharge democratic services functions” is sufficiently broad to encompass the role fulfilled by the Constitution Committee (overseeing the constitution and co-ordinating the Overview and Scrutiny Committees). It would therefore make sense to incorporate the Constitution Committee into the Democratic Services Committee.</p> <p>The Constitution Committee also has the power to make by review and make by-laws on behalf of the Council. The use of by laws is diminishing as new legislation typically gives a power to make orders (rather than by laws) and allocates the function to the executive. Any residual review or passing of by-laws could be handled by Full Council.</p>

1.03	It is recommended that the Constitution Committee be incorporated into the Democratic Services Committee, and that Full Council should review, make or revoke by-laws.																		
1.04	It is recommended that Council appoint the following committees: <ul style="list-style-type: none"> • Audit • Clwyd Pension Fund • Constitution and Democratic Services Committee • Joint Governance Committee (for pensions) • Licensing • Planning • Standards • The six Overview and Scrutiny Committees listed above 																		
1.05	It is recommended that the Constitution be amended to reflect the committees appointed.																		
	<u>DETERMINATION OF THE SIZE OF COMMITTEES</u>																		
1.06	<p>The Annual Meeting must decide upon the size of each of the Committees it has appointed. The Constitution presently makes provision for the size of those Committees as set out below:-</p> <table style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 80%;">Audit Committee</td> <td style="text-align: right;">7</td> </tr> <tr> <td>Constitution and Democratic Services Committee</td> <td style="text-align: right;">21</td> </tr> <tr> <td>Joint Governance Committee (Pensions) (this is the chair of the Pensions Committee)</td> <td style="text-align: right;">1 representative</td> </tr> <tr> <td>Licensing Committee</td> <td style="text-align: right;">12</td> </tr> <tr> <td>Each of the Overview & Scrutiny Committees</td> <td style="text-align: right;">15</td> </tr> <tr> <td>Pensions Committee*</td> <td style="text-align: right;">5</td> </tr> <tr> <td colspan="2">(*please note in addition to the places listed there are 4 places for co-optees)</td> </tr> <tr> <td>Planning Committee (see below)</td> <td style="text-align: right;">21</td> </tr> <tr> <td>Standards Committee** (** there are 3 places for county councillors plus 6 co-optees)</td> <td style="text-align: right;">9</td> </tr> </table>	Audit Committee	7	Constitution and Democratic Services Committee	21	Joint Governance Committee (Pensions) (this is the chair of the Pensions Committee)	1 representative	Licensing Committee	12	Each of the Overview & Scrutiny Committees	15	Pensions Committee*	5	(*please note in addition to the places listed there are 4 places for co-optees)		Planning Committee (see below)	21	Standards Committee** (** there are 3 places for county councillors plus 6 co-optees)	9

1.07	The Size and Composition of Local Planning Authority Committees (Wales) Regulations 2017 were made on 21 st March and came into force on 5 th May 2017. They require that the Planning committee should be between 11 and 21 members in size and no larger than 50% of the total membership of the Council. Members will note that the proposed size of committee meets these requirements.																		
1.08	It is recommended that the size of each committee should be as set out in paragraph 1.06.																		

	<u>TERMS OF REFERENCE OF COMMITTEES AND PENSION DELEGATIONS</u>
1.09	The Annual Meeting is required to decide the terms of reference of the committees that it appoints. The existing terms of reference of the existing committees are set out in Part 2 of the Constitution.
1.10	It is recommended that the terms of reference for each committee in Part 2 of the Constitution should be approved (noting the changes proposed in respect of the Constitution and Democratic Services Committees).
	<u>POLITICAL BALANCE</u>
1.11	The Council is required at, or as soon as practicable after the Annual Meeting, to decide the allocation of seats to political groups in accordance with the Political Balance Rules contained in the Local Government and Housing Act 1989 and the Local Government (Committees and Political Groups) Regulations 1990 as amended.
1.12	<p>The basis of the statutory requirement is that committee seats should be allocated to political groups in so far as practicable in the same proportion as those groups have to the total membership of the County Council. The allocation of seats on committees to the political groups must recognise that:-</p> <ul style="list-style-type: none"> (i) There must be no committees whereby only one group has all the seats. (ii) Where there is a majority group it is entitled to a majority upon every committee. (This does not apply where the largest group does not have an overall majority). (iii) The total number of seats allocated to each political group should be (in so far as is practicable) in the same proportion as those groups strengths upon the full Council. (iv) Each committee should (so far as is practicable) have the same proportional division between political groups as is represented upon the full Council.
1.13	<p>The Size and Composition of Local Planning Authority Committees (Wales) Regulations 2017 also require that a Planning Committee</p> <ul style="list-style-type: none"> • Should not include any substitutes; and • Must have a quorum of 50% of the members of committee; • May only include 1 member from a multiple member ward <p>In making nominations to the Planning Committee the groups will need to follow these rules. Where a multiple member ward is represented by councillors who are not in the same group (and both wish to be on the Planning Committee) then there will need to be a means of deciding which councillor can take up the place. In the first instance the two respective group leaders should seek to reach agreement. If that is not possible then the following options exist:</p> <ul style="list-style-type: none"> • the smaller group should get the seat because it will have less scope for flexibility • the first nomination received by the proper officer should be accepted • the allocation is decided by drawing lots.

1.14	For the Audit and Democratic Services Committees, the Local Government (Wales) Measure limits the number of Cabinet Members on each committee to a maximum of one who cannot be the Leader. The Constitution has extended this so that no Cabinet Member may be a member of the Audit Committee.																																
1.15	<p>There are a total of 157 seats for councillors across all of the Council committees based on the current group membership. The entitlement of each group to seats is set out in the table below. Those seats could be divided across the different committees in a number of possible configurations, and possible lawful configurations will be circulated prior to the meeting.</p> <p>Please note that although we know councillors' intentions, as yet, not all group membership forms have been received. Should the group membership vary then the allocation of seats will need to be reviewed.</p> <table border="1" data-bbox="300 712 1394 1160"> <thead> <tr> <th>Group</th> <th>Size of group</th> <th>% of total councillors</th> <th>Entitlement to seats</th> </tr> </thead> <tbody> <tr> <td>Labour</td> <td>34</td> <td>48.57</td> <td>76</td> </tr> <tr> <td>Independent Alliance</td> <td>14</td> <td>20.00</td> <td>31</td> </tr> <tr> <td>Conservative</td> <td>6</td> <td>8.57</td> <td>14</td> </tr> <tr> <td>Independent</td> <td>6</td> <td>8.57</td> <td>14</td> </tr> <tr> <td>Liberal Democrats</td> <td>5</td> <td>7.14</td> <td>11</td> </tr> <tr> <td>New Independent</td> <td>5</td> <td>7.14</td> <td>11</td> </tr> <tr> <td>Total</td> <td>70</td> <td>100%</td> <td>157</td> </tr> </tbody> </table>	Group	Size of group	% of total councillors	Entitlement to seats	Labour	34	48.57	76	Independent Alliance	14	20.00	31	Conservative	6	8.57	14	Independent	6	8.57	14	Liberal Democrats	5	7.14	11	New Independent	5	7.14	11	Total	70	100%	157

1.19	<p>It is recommended that Council appoints the chair of the following committees (noting any restrictions on eligibility):</p> <ul style="list-style-type: none"> • Clwyd Pension Fund • Constitution and Democratic Services • Licensing • Planning 		
1.20	<p>Under the Local Government Measure 2011 the chairs of Overview and Scrutiny are chosen by the political groups based on the strength of the various groups and which have seats on the Cabinet. Chairs are allocated to groups with a place on Cabinet first and any entitlement is rounded down to the nearest whole number. The remaining chairs are then allocated to groups without a seat on Cabinet (rounding up to the nearest whole number).</p>		
1.21	<p>Full Council appoints the Leader at the Annual General Meeting and the Leader will then announce the Cabinet. When the membership of the Cabinet is known it will be possible to formally allocate the correct number of chair(s) to each group.</p>		
1.22	<p>It is recommended that Council decides which group will chair each Overview and Scrutiny Committee.</p>		
	<p><u>LOCAL CHOICE FUNCTIONS</u></p>		
1.23	<p>The Council is also required to agree such part of the Scheme of Delegation as the Council determines it is for the Council to agree. This relates to those local choice functions which can be decided either by the Council or the Cabinet and/or delegated to officers. The table of Local Choice Functions is</p>		

	included in Part 3, Section A, Table 3 of the Constitution. Members are recommended to confirm or otherwise the existing Local Choice Functions.
1.24	It is recommended that local choice functions as set out in the Constitution are approved.
	<u>NOMINATIONS TO INTERNAL BODIES</u>
1.25	The existing Scheme of Delegation provides for an Appointments Committee for first and second tier officers comprising 7 Members. This is not a standing committee and is convened when required by seeking nominations from Group Leaders. In the past it has been usual for Committee Members to be politically balanced including the relevant Cabinet Member. The Council has previously agreed that the Chair or Vice-Chair of the relevant Overview and Scrutiny Committee be one of the Members of the Committee. It is recommended Council continues the previous practice.
1.26	It is recommended that the make-up of the Appointments Committee be approved.
	<u>STANDARDS COMMITTEE</u>
1.27	The Standards Committee includes five independent members, a Town and Community Council representative (see below) and three Councillors (who cannot also be the Leader or Cabinet Members). The three members will be appointed for the whole term of this Council. If Council wishes it may reappoint the two previous members (Cllrs Woolley and McGuill) but under the legislation they may serve one further term only. Councillor Cox has already served two terms and therefore may not be reappointed.
1.28	It is recommended that 3 county councillors be appointed to the Standards Committee.
1.29	The term of office for the town and community representative has come to an end. It was, of course, not possible to reappoint a representative prior to the elections. The Council can reappoint the current representative or it could seek a new representative using the process at Appendix 1 (which was approved at the AGM in 2012). In either case the Council must consult with the Town and Community Councils about its proposed course of action.
1.30	The current representative (Cllr Duggan-Keen from Caerwys Town Council) has made a valuable contribution to the work of the Committee and is willing to serve again. It is therefore proposed that the Council consult Town and Community Councils on his reappointment for a further term, and that he continue in office until such time as he is reappointed or a new appointment is made.
1.31	It is recommended that the Town and Community Councils be consulted on the reappointment of the town and community representative, and that the current representative continue in office until such time as he is reappointed or a new appointment is made.

FLINTSHIRE COUNTY COUNCIL

Date of Meeting	Thursday, 18 May 2017
Report Subject	Outside Bodies
Report Author	Chief Officer (Governance)

EXECUTIVE SUMMARY

The list of Appointments to Outside Bodies is reported to each Annual Meeting of the Council. It details those outside bodies to which the Council makes appointments, together with the nominees and their respective terms of office. As the County Council has just held elections, all of the nominations will require consideration. For ease of understanding, the nominees during the life of the previous Council are shown on the attached list.

At each Annual Meeting, a recommendation is made to delegate to the Chief Executive, in consultation with the political Group Leaders, the ability to make nominations to these bodies. This time, that delegation is required to make the initial nomination and also during the course of the 2017/18 municipal year. That will ensure that any changes can be dealt with efficiently.

All of the nominations made during this process are intended to run for the life of this Council, to May 2022.

RECOMMENDATIONS

1	That the Council notes the current Outside Bodies list which is attached as Appendix A.
2	That all nominations made shall run until May 2022 unless the nominated Member resigns from that Outside Body.
3	That the Chief Executive, in consultation with the Group Leaders be authorised to make nominations to Outside Bodies on behalf of the Council.

REPORT DETAILS

1.00	THE OUTSIDE BODIES LIST
1.01	The County Council maintains a list of the Members which it nominates to serve on a range of Outside Bodies. These Outside Bodies can range from the very local – for example the Hawkesbury Community Centre Management Committee in Buckley - to the regional, for example the North Wales Police and Crime Panel and national -, such as the Welsh Local Government Association. Some Outside Bodies, such as the Mersey-Dee Alliance operate across the border with England.
1.02	We receive requests from time to time to make nominations to Outside Bodies. We recognise that the Members already have a huge number of conflicting demands on their time, and so we ensure that all Outside Bodies to which we seek nominations are directly relevant to the work of the Council and the communities which it serves.
1.03	As the County Council has just held elections, all of the Outside Bodies will require nominations to be made to them. For ease of understanding, the nominees during the life of the previous council are shown on the attached list.
1.04	At each Annual Meeting, a recommendation is made to delegate to the Chief Executive, in consultation with the political Group Leaders, the ability to make nominations to these bodies. This time, that delegation is required to make the initial nomination and also during the course of the 2017/18 municipal year. That will ensure that any changes can be dealt with efficiently.
1.05	All of the nominations made during this process are intended to run for the life of this Council, to May 2022.

FLINTSHIRE COUNTY COUNCIL

Date of Meeting	Thursday, 18 May 2017
Report Subject	Schedule of Remuneration
Report Author	Chief Officer (Governance)

EXECUTIVE SUMMARY

Each year, the Independent Remuneration Panel for Wales (IRPW) determines the rates of payment which are to be made to elected and co-opted Members of Welsh local authorities for the following municipal year. Consultation on the proposals for 2017/18 were carried out last autumn. The final report was published in February and sets the levels of payment for Members for 2017/18.

Flintshire, as with other Welsh local authorities, must decide which payment levels it wishes to apply for the Chair and Vice-chair of Council, Cabinet Members and Committee Chairs. (Because the number of senior salaries is limited to 18, not all Committee Chairs are remunerated).

The Council must also publish a schedule showing who receives what level of payment. A further report on the Members' Schedule of Remuneration will therefore need to be made to the meeting of Council on 20th June, once all appointments to senior salary posts have been made.

RECOMMENDATIONS

1	That County Council decides whether Cabinet Members should be paid at Level 1, (£29,100) or Level 2, (£26,100), both of which are inclusive of the basic salary.
2	That County Council decides whether the Committee Chairs who are paid a senior salary should be paid at Level 1 (£22,100) or Level 2, (£20,100), both of which are inclusive of the basic salary.
3	That County Council decides whether the Chair of Council should be paid at Level 1 (£24,100) Level 2 (£21,600) or Level 3 (£19,100), all of which are inclusive of the basic salary.

4	That County Council decides whether the Vice-chair of Council should be paid at Level 1 (£28,100) Level 2 (£16,100) or Level 3 (£14,100), all of which are inclusive of the basic salary.

REPORT DETAILS

1.00	EXPLAINING THE SCHEDULE OF REMUNERATION
1.01	The Independent Remuneration Panel for Wales (IRPW) issued its Annual report for 2017/18 in February. The IRPW Annual Report determines what payments can be made to both elected and co-opted Members for 2017/18. Within the report, a number of determinations apply to County Councils, whilst others apply to the Fire & Rescue Authorities, National Park Authorities and Community/Town Councils. This report deals solely with determinations which relate to the County Council.
1.02	Subject to their having signed the declaration of acceptance of office, all elected Members will receive the basic salary of £13,400 from 8 th May 2017. This is as required in IRPW <u>Determination 1</u> , and is an increase of £100 on the 2016/17 basic salary.
1.03	Positions of responsibility attract a higher rate of remuneration called a “senior salary”. There is a limit on how many senior salaries Flintshire can award (18) based on its population (Group B, populations of between 100,000 and 200,000).
1.04	<u>Determination 2</u> relates to the level of senior salaries. There has been no increase in senior salaries, but as each senior salary also includes the basic salary element, there is, in effect, an increase of £100.
1.05	There is provision to pay Cabinet Members at two different levels, reflecting the extent of their responsibilities. Level 1 is £29,100 (inclusive of the basic salary) level 2 is £26,200. Flintshire have previously indicated to IRPW that it would not pay different rates to Cabinet Members and the IRPW have confirmed that no Council has introduced differential payments within Cabinets or to committee chairs. The County Council must make a decision as to which level payment is made at: the current payment was agreed to be level 1 at the last Annual Meeting.
1.06	The payment to Committee Chairs is £22,100 for Level 1 and £20,100 for Level 2. The County Council must make a decision as to which level payment is made at: the current payment was agreed to be level 1 at the last Annual Meeting.
1.07	The payment to the leader of the largest opposition group is £22,100.
1.08	<u>Determination 3</u> relates to the remuneration of civic heads and deputies (in Flintshire’s case, this means the Chair and Vice-chair of Council. These two posts are not included in the 18 payments cap. The IRPW has set three possible levels of salary. It is for each Local Authority to decide at which level it makes payment. As an example, it could be decided that the role of

	<p>the Chair is such that it warrants payment at level 1, but that the Vice-chair be paid level 3. It would also be possible to pay the chair at level 3 and the Vice-chair at level 1, reflecting the nature of their duties.</p> <table border="0"> <tr> <td>Responsibility Level</td> <td>Chair</td> <td>Vice-chair</td> </tr> <tr> <td>Level 1</td> <td>£24,100</td> <td>£18,100</td> </tr> <tr> <td>Level 2</td> <td>£21,600</td> <td>£16,100</td> </tr> <tr> <td>Level 3</td> <td>£19,100</td> <td>£14,100</td> </tr> </table> <p>Since this discretion was introduced, Flintshire have always paid Level 2 to both the Chair and Vice-chair. The County Council must make a decision on this.</p>	Responsibility Level	Chair	Vice-chair	Level 1	£24,100	£18,100	Level 2	£21,600	£16,100	Level 3	£19,100	£14,100

Level 2	£21,600	£16,100											
Level 3	£19,100	£14,100											
1.09	<u>Determinations 6 and 7</u> relate to the provision of support to Members, with which Flintshire complies.												
1.10	<u>Determination 8</u> states that 'The Panel has determined to include a provision for specific or additional senior salaries that do not fall within the current Remuneration Framework.												
1.11	<u>Determination 17</u> reiterates the entitlement of all eligible elected Members to join the Local Government Pension Scheme.												
1.12	<u>Determinations 18-23</u> relate to payment of salaries during family absence and now incorporate arrangements for sickness absence of senior salary holders.												
1.13	<p><u>Determinations 38-42</u> relate to payments made to co-opted Members, which are as follows:</p> <p>Chair of Standards Committee - £256 for 4 hours and over, £128 up to four hours.</p> <p>Ordinary co-opted members of Audit, Standards and Education & Youth Overview & Scrutiny Committee £198 for 4 hours and over, £99 for up to 4 hours.</p>												
1.14	<u>Determination 43</u> relates to the renaming of the Carer's Allowance provision to 'Reimbursement of the Costs of Care'. Members of the Council who have caring responsibilities are eligible to have the costs of care reimbursed, subject to conditions, on application to the Democratic Services Manager.

FLINTSHIRE COUNTY COUNCIL

Date of Meeting	Thursday, 18 May 2017
Report Subject	Appointment of Lay Member to the Audit Committee
Report Author	Chief Officer (Governance)

EXECUTIVE SUMMARY

The Local Government (Wales) Measure 2011 requires that the County Council appoints lay members up to one third of the membership of the Audit Committee (with the minimum of one member). At its meeting on 14 February the Council decided to appoint the statutory minimum of one lay member.

The legislation required the Council to take into account any statutory guidance when appointing lay members, no guidance has been published on appointing lay members. The Measure also provides that actions taken by the Audit Committee are invalid if its membership does not comply with the legislation.

RECOMMENDATIONS

1	The name of the preferred candidate is Sally Ellis.
2	That the Council agrees to the appointment of Sally Ellis as lay member to the Audit Committee, serving a term of 5 years.

REPORT DETAILS

1.00	APPOINTMENT PROCESS
1.01	<p>The role of the lay member on the Audit Committee is similar to that of a councillor, insofar as the person will be required to have oversight of Council functions and processes and to give assurance that the internal control framework is operating properly. The role differs from that of a councillor in at least two important respects:</p> <ul style="list-style-type: none">• The lay member has no political affiliation;• The lay member can be recruited specifically because of potential valuable skills and/or experience within the field.
1.02	<p>Given the sometimes sensitive nature of reports considered by the Audit Committee, it is also essential that any lay person is able to exercise both discretion and diplomacy. The shortlisting and interview process was designed to ensure that any potentially successful candidate possessed all of these qualities.</p>
1.03	<p>Adverts were placed in the Daily Post on 9 March and the Council's website. Attached as Appendix A is an information note sent to those who expressed an interest. In total of 4 applications were received. Candidates were shortlisted by the Chief Officer (Governance), Corporate Finance Manager and Acting Internal Audit Manager using the following criteria:</p> <ul style="list-style-type: none">• Experience and/or understanding of audit, accounting practice and/or financial procedures• Knowledge and/or experience of local government• Perceived political and operational independence• Has not been a councillor or officer of Flintshire County Council• Has not been a councillor or officer of another council
1.04	<p>Council approved a panel to interview candidates consisting of the Chair of Audit, Leader, Chief Officer (Governance) and Corporate Finance Manager. The Chair of Audit was not available for the interviews and so the Vice-Chair of Council took his place. The interviews took place on 8 May and Sally Ellis is recommended for appointment. Attached at Appendix B is a pen portrait of Sally Ellis.</p>
2.00	RESOURCE IMPLICATIONS
2.01	<p>An attendance fee is payable for attendance at the Committee and there is sufficient budget to cover scheduled meetings and training.</p>

3.00	CONSULTATIONS REQUIRED / CARRIED OUT
3.01	None.

4.00	RISK MANAGEMENT
4.01	The recruitment process has been designed to maximise the chance of securing an appropriate candidate for the role.

Information about being a lay member of Flintshire's Audit Committee

The Local Government (Wales) Measure 2011 requires the 22 unitary authorities in Wales to each have an Audit Committee and for at least one member of that Audit Committee to be a lay person.

Flintshire County Council has for many years had an Audit Committee. Since 2012 it has consisted of 8 councillors plus 1 lay member. That lay member has made a valuable contribution to the work of the committee and is unable to continue due to work commitments.

The Audit Committee is required by the Local Government Measure to have the following functions:-

- a) To review and scrutinise the authority's financial affairs;
- b) To make reports and recommendations in relation to the authority's financial affairs;
- c) To review and assess the risk management, internal control and corporate governance and anti-fraud and anti-corruption arrangements of the authority;
- d) To make reports and recommendations to the authority on the adequacy and effectiveness of those arrangements;
- e) To oversee the authority's internal/external audit arrangements;
- f) Approve (but not direct) internal audit's strategy, plan and monitor performance
- g) Receive the annual report from the Internal Audit Manager and
- h) To review the financial statements prepared by the authority.

The Audit Committee is supported by the senior officers of the Council who attend to present reports and answer questions from Committee members. In the last year there were 7 meetings of the Audit Committee. The diary of meetings is attached below. The agendas and reports to be considered at the meeting are sent out approximately a week in advance of the meeting. The lay person will be entitled to claim £99 for attending each half day meeting. In the event of the meeting lasting over 4 hours, the payment is £198.

Agendas and reports of previous Audit Committee meetings are available on the Council's website (www.flintshire.gov.uk). The successful applicant will receive induction training and training for all Audit Committee members has been arranged for 19 and 22 May (to be confirmed). The 8 Councillor members of the Committee will be known shortly after the Council's annual meeting on 18 May 2017.

It is intended to hold interviews for the appointment of the lay person on 27 April 2017. Applicants will be informed whether or not they have been successful shortly after this date. When submitting an application, please could you indicate whether or not you will be available to attend an interview on this date.

For a chat about this role please ring Gary Ferguson 01352 702271 or Gareth Owens on 01352 702344.

SALLY ELLIS

"Originally from Norfolk, I have lived in Flintshire for more than 30 years, mostly in Caerwys. Both my children live here too, and went to school in Mold. I am a graduate and have qualifications in social administration, strategic management and leadership.

My early working life was in community development, working for the voluntary sector, including on Deeside. I moved to work for local government in 1992, working for Clwyd and Conwy Councils before becoming the Director of Modernisation and Well-being at Denbighshire County Council from 2001-2014. Here, I was Director of Social Services as well as having responsibility for a varying range of Council services, including Housing, HR, ICT and Leisure.

Since retiring from full time work in 2014, I have undertaken a number of roles for Welsh Government and mentoring and consultancy work for national and local government, mostly in North Wales. I am currently a member of the Public Services Staff Commission which is looking at the workforce implications of public service reform in Wales. On a voluntary basis, I am Vice Chair of North Wales Housing Association and an adviser for Denbighshire Citizens Advice.

I am a keen walker and gardener, film and theatre goer. So I make extensive use of Flintshire footpaths, Theatr Clwyd and the Greenfield Recycling Centre (of which I am a great fan, including of its free soil conditioner)."

FLINTSHIRE COUNTY COUNCIL

Date of Meeting	Thursday, 18 May 2017
Report Subject	Schedule of Meetings
Report Author	Chief Officer (Governance)

EXECUTIVE SUMMARY

This report sets out the calendar of meetings for 2017/2018 and explains the current arrangements for scheduling formal meetings of Council, Cabinet and Committees.

In March 2016 Councillors were asked when they would prefer meetings to be held, and the majority favoured day time. However, it was recognised that the “new” Council should make its own decision on when meetings should be held, which suggests that a further survey should now be held.

However, in terms of our business planning, the Council needs to be able to plan for the whole year. Therefore, a draft schedule of meetings showing morning and evening meetings has been prepared and is attached for Member consideration.

RECOMMENDATIONS

1	That the attached draft schedule of meetings for 2017/18 be approved for the time being.
2	That the Democratic Services Manager survey Member preferences for when meetings are held. This would be conducted after the August recess, with a view to a report analysing the results being made to the Constitution Committee in October.

REPORT DETAILS

1.00	EXPLAINING THE SCHEDULE OF MEETINGS FOR 2017/18
1.01	Following a decision which was made by the County Council in March 2010, the Schedule of Meetings of Council, Cabinet and Committees has been based on an approximately 10 weeks' cycle.
1.02	Last year, in response to suggestions from some Members that we should broaden the span of when we hold our meetings, the Democratic Services Committee tasked the officers with carrying out a survey of Member opinion. This was carried out in March 2016, amongst the then elected and co-opted members. There was a majority in favour of keeping day time meetings. The schedule of meetings for last year was based on that approach. The dates for all meetings until the August recess this year have previously been agreed by Council.
1.03	It was recognised that the 'new' Council should be able to form its own opinion on this important issue. It is recommended that a further survey be held amongst all Members following the August recess. By then, Members will have an idea of their workload and meeting commitments.
1.04	That being so, a schedule of meetings for 2017/18 has been drafted following the previous model. In terms of planning, this is preferable than leaving things undone. This, if approved, will be used for meeting planning until the survey has been conducted. The Constitution Committee will then have an opportunity to consider the results and make an appropriate recommendation to Council.

2.00	RESOURCE IMPLICATIONS
2.01	The holding of evening meetings may increase costs as it will be necessary to keep County Hall, or other building where formal meetings are held, open later than the current 7pm close.

3.00	CONSULTATIONS REQUIRED / CARRIED OUT
3.01	None.

4.00	RISK MANAGEMENT
4.01	It has previously been acknowledged that a greater range of meeting times may encourage a more diverse range of candidates to stand for election. Our conducting a survey fulfils our responsibility under the WLGA Member

	development Charter to seek Members' views on when we hold our meetings. Should the Welsh Ministers decided to issue guidance to local authorities under section 6 of the Local Government (Wales) Measure 2011 in the near future, Flintshire would be able to use the result of the proposed survey as evidence of appropriate consultation having been carried out.
