REPORT DETAILS

1.00	EXPLAINING THE TENANCY MANAGEMENT POLICY
1.01	Flintshire County Council manages 7,271 homes and is committed to providing an effective and efficient tenancy management service that reflects best practice, complies with legislation and protects the rights of tenants as well as minimising risk to the Council.
1.02	This report and attached policy document covers tenancy management. Tenancy enforcement will be submitted in the coming months as part of an ongoing review and development of a suite of Housing Service policies and operational procedures, to ensure that there is a consistent, robust and equitable approach to managing our properties and estates.
1.03	The tenancy management teams are located in Flint and are currently split into two teams; one dealing with neighbourhoods and the other dealing with new customers. This current configuration is under review as part of the ongoing housing restructure work and is, subject to appropriate consultation, likely to move to a model of delivery which sees change into one focussed team covering the customer from the commencement of a tenancy to the end.
1.04	As one of the largest landlord in Flintshire, it is important to ensure our tenants are able to sustain their tenancy. The economic climate and the negative impact welfare reforms may have on our tenants can make this very challenging for them. Although not all of our tenants are affected by welfare reforms, they are all susceptible to financial exclusion as it only takes the loss of a job or breakdown in relationship to substantially change circumstances and create a need for advice and support.
1.05	<p>The Tenancy Management Policy contains a number of sections which usefully explain the following:</p> <ul style="list-style-type: none">• Pre tenancy assessments• Tenancy types• Succession• Mutual exchange• Changes in name• Sole and joint tenancy• Ending a tenancy• Tenants who are admitted to hospital or residential care• Lodgers and subletting• Compensation• Decants• Estate walkabouts• Customer focus Equality and Diversity• Performance Management

1.06	Communal Areas
1.07	In order to comply with current fire safety regulations and also to keep the communal areas of our schemes, whether it be sheltered or general needs, safe and free from hazards FCC has adopted a sterile communal area approach to all internal communal areas. This means that all communal areas are not to be utilised for the storage of items which could pose a risk in the event of a fire – either due to combustibility or hindering egress in the event of an evacuation.
1.08	Welsh Government Changes to Tenancies
1.09	<p>It is important to note that Welsh Government have been working on a new legislative framework for tenancies. The Renting Homes (Wales) act 2016 has received Royal Assent and is passing through the various legislative processes within Welsh Government. When fully enacted this Act will introduce significant changes to the way we issue tenancies and manage them.</p> <p>In summary the Act:-</p> <ul style="list-style-type: none"> • Is based on the Law Commissions 2006 Renting Homes Report • Will have a single legal framework for social and private renting in Wales • Will enable a single ‘social tenancy’ for Wales • Provide clarity on rights and responsibilities through a single contract • Have model contracts freely available to all • Have two levels of contracts:- <ul style="list-style-type: none"> - Secure Contracts: high level of security provided by law which replaces secure and assured tenancies, can also be used by private landlords - Standard contract: low level of security under law; greater security can be agreed through fixed terms; replaces assured shorthold tenancies, Introductory and demoted tenancies • Provide a legal basis for supported housing

2.00	RESOURCE IMPLICATIONS
2.01	<p>There is a dedicated team of Housing Officers responsible for delivering Housing Services. Currently the team is divided into three areas:</p> <ul style="list-style-type: none"> • New Customer team – responsible for pre-tenancy assessments, allocations and managing introductory tenancies • Neighbourhood team – responsible for managing neighbourhoods and secure tenancies • Tenancy Enforcement team – responsible for managing all breach of tenancies including anti-social behaviour

3.00	IMPACT ASSESSMENT AND RISK MANAGEMENT																								
3.01	<p>If the Council does not provide a robust and efficient service in managing its estates, then the housing service will be at risk of:</p> <ul style="list-style-type: none"> • Long term voids • Increase in anti-social behaviour • An increase in litigation • Poor reputation • Having inadequate resources <p>Ways of Working (Sustainable Development) Principles Impact</p> <table border="1" data-bbox="320 622 1385 1106"> <tr> <td>Long-term</td> <td>Positive – Providing sustainable tenancies in safer, cleaner neighbourhoods.</td> </tr> <tr> <td>Prevention</td> <td>Positive - Preventing homelessness through ensuring there is adequate support and accommodation to cater for a range of needs.</td> </tr> <tr> <td>Integration</td> <td>Positive – Increased integration between services and partner organisations.</td> </tr> <tr> <td>Collaboration</td> <td>Positive – Increased collaboration between services and partner organisations.</td> </tr> <tr> <td>Involvement</td> <td>Positive – Service user involvement to help shape effective services so that support is timely and person centred</td> </tr> </table> <p>Well-being Goals Impact</p> <table border="1" data-bbox="320 1218 1385 1809"> <tr> <td>Prosperous Wales</td> <td>Positive – providing good quality and affordable homes</td> </tr> <tr> <td>Resilient Wales</td> <td>Positive – Creating services that are prevention focused and build resilience to avoid households becoming homeless specifically vulnerable persons</td> </tr> <tr> <td>Healthier Wales</td> <td>Positive – Reduction in homelessness and increase in targeted support for mental health</td> </tr> <tr> <td>More equal Wales</td> <td>Housing service is delivered in a way that is inclusive for all</td> </tr> <tr> <td>Cohesive Wales</td> <td>Positive – Safer and well-connected neighbourhoods</td> </tr> <tr> <td>Vibrant Wales</td> <td>Positive – encourages tenants to be more involved in their community</td> </tr> <tr> <td>Globally responsible Wales</td> <td>Neutral</td> </tr> </table>	Long-term	Positive – Providing sustainable tenancies in safer, cleaner neighbourhoods.
