Care Inspectorate Wales (CIW) – Assurance Check 2021 Flintshire County Council

1. Promote and encourage the rights of children to be offered formal advocacy

Lead: Service Manager: Corporate Parenting

Challenges & Baseline to be addressed

- Good evidence that an active offer of advocacy is being made
- However, there is a low take up the active offer
- Need to better understand why young people do not take up the service
- Practitioners can see themselves as an advocate need to ensure this is complemented with a deeper appreciation of the added value of independent advocacy

What success looks like

- All eligible children have an active offer of advocacy
- Higher take up of the active offer aim to double numbers
- Understanding of why active offer is declined by young people and any associated corrective action if needed
- Practitioners have a strong understanding of the added value of independent advocacy
