1. What is the Corporate Self-Assessment?

The Local Government and Elections Act (Wales) 2021 sets out a duty to report on performance and states 'A council must produce a self-assessment report in respect of each financial year. The report must set out its conclusions on the extent to which it met the performance requirements during that year, and any actions it intends to take, or has already taken, to increase the extent to which it is meeting the performance requirements.' This document aims to achieve the duty set out above for the act and for the use by the Council.

The Corporate Self-assessment is a comprehensive assessment of the corporate organisation and not a detailed assessment of the performance of each service portfolio, the assessment themes are designed in this way.

The self-assessment is meant to provide a platform for assurance and self-improvement and would lead to an improvement plan for the organisation.

The Self-assessment Model focused on eight themes and considered a number of core questions within each of these themes, outlined further in this document. As with all models there will inevitably be overlaps across themes however, the themes are sufficiently defined and demarked to avoid too much overlapping or duplication.

The Self-assessment Model followed three stages:

- **Stage One** - 'desk-based' analysis and evaluation of available documents and evidence, and some internal triangulation through review and moderation
- **Stage Two** - opinion sourcing, consultation and engagement and 'triangulation'
- **Stage Three** - production of a formal and final published assessment and improvement plan which will be led by the Cabinet and run through both the Corporate Resources Overview and Scrutiny Committee and the Governance and Audit Committee for input and assurance.

The first stage was more evidential, this included the presence of strategies and evaluative reports e.g., regulatory reports, the Annual Governance Statement (AGS), the Annual Performance Report. The second stage, more qualitative through consultation with key stakeholders, whilst the third stage is the closing stage involving the production and publication of a formal and final assessment and action plan.

2. Process of Review and Timeframe

A timeframe to complete each of the three stages of the Corporate Self-assessment was identified as follows:

Stage	Task	Timeline
One	Desk-based' analysis and evaluation of available documents and evidence, and some internal triangulation through review and moderation	November 2022 – January 2023
Two	Opinion sourcing, consultation and engagement and 'triangulation'	February - June 2023
Three	Closing stage, production of a formal and final published assessment and action plan. Led by the Cabinet and run through both the Overview and Scrutiny Committee and the Governance and Audit Committee for input and assurance	July - October 2023

A Project Board was established in 2021, comprising of a Project Board Chair, a senior responsible officer, and officers from across portfolios that were either currently Performance Leads or officers who were previously part of the Governance Recovery Group during the Council's response phase to the pandemic. Each of the officers who sat on the Project Board were considered to have the ability to conceptualise new models and new ways of working, understand their portfolio services, whilst having sufficient seniority within the Council to take the Self-assessment forward.

We drew upon the Council's AGS model of evaluation, scoring and evidence capturing as this model was known to be effective. The model was a useful platform for challenging and moderating variations in opinion through facilitated review. A report was initially shared at Governance and Audit Committee in July 2021 on the development of the Self-assessment model, the proposed model for the first Corporate Self-assessment was endorsed.

This is the Council's second year completing the Corporate Self-assessment. For 2022/23, the model and approach was reviewed and adapted slightly to include an additional two questions within Theme A (Vision, Strategy and Performance Reports), to ensure that the Well-being of Future Generations (Wales) Act 2015 and Integrated Impact Assessments (IIA's) were incorporated.

The results of Stage One were shared at a Senior Leadership Academy where the results were considered, challenged, and evaluated. During Stage Two, consultation was undertaken with Members from both the Governance and Audit Committee and the Corporate Resources Overview and Scrutiny Committee, to further consider, challenge and evaluate the feedback and scores to ensure that we as a Council are continuously self-assessing our performance.

3. Scoring Criteria:

The scoring criteria for the Corporate Self-assessment is detailed below;

Score 5 – Very best practice

Score 4 – Good evidence

Score 3 – Evidence but further action required

Score 1 – No evidence

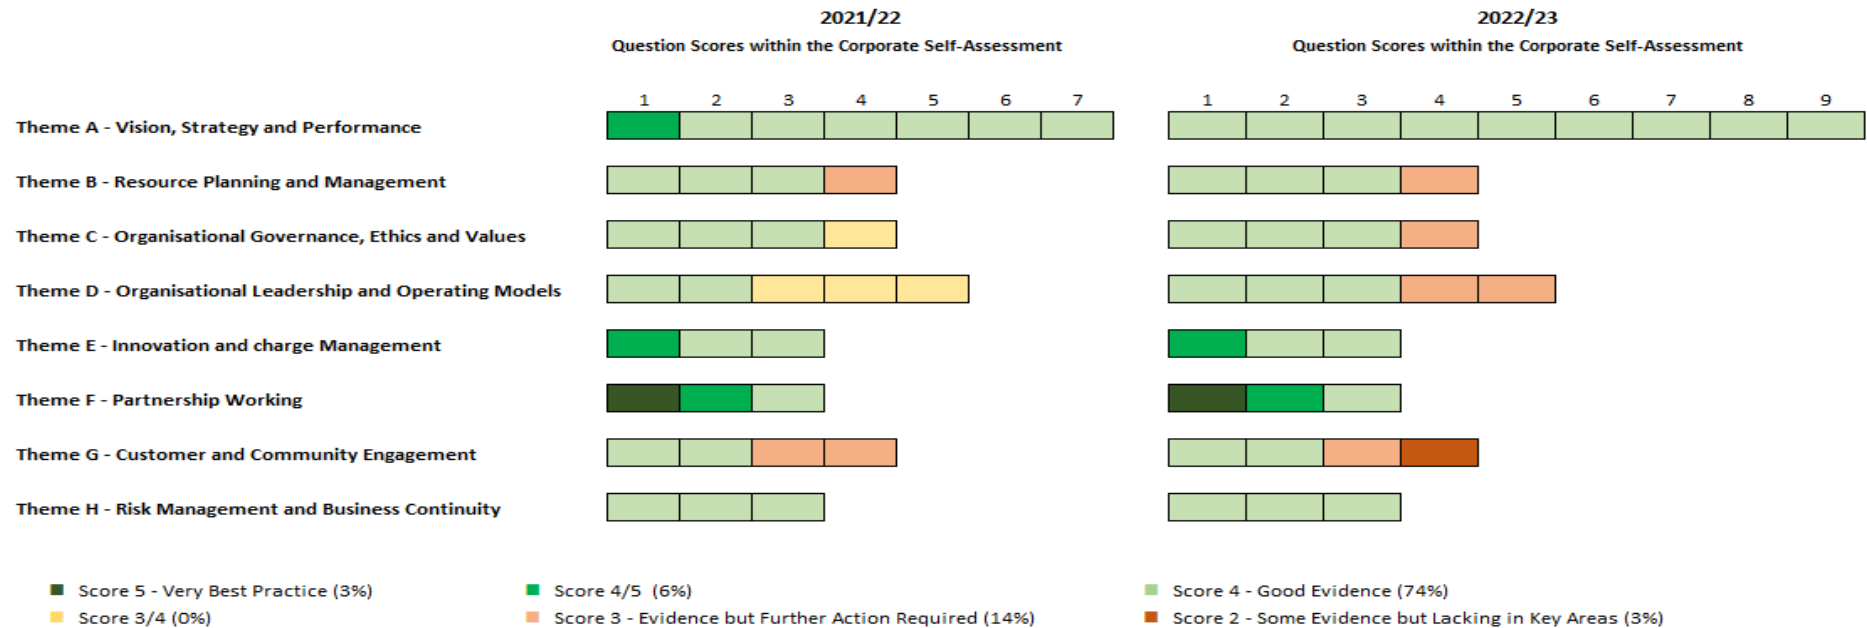

Score 4/5 – Very best practice / Good evidence

Score 3/4 – Good evidence / Action may be required

Score 2 – Some evidence but lacking in key areas

4. Comparison between 2021/22 and 2022/23 (Summary of the Effectiveness of the Council’s Corporate Self-Assessments)

Comparison between 2021/22 and 2022/23 Corporate Self Assessments

Note: Two additional questions were added to the 22/23 Corporate Self Assessment within Theme A

An overall comparison of the scores between 2021/22 and 2022/23 for the 35 questions within Themes A-H (excluding the two new questions in Theme A) between the financial years of 2021-22 and 2022-23, shows that **26** scores have remained the same, **6** have decreased and **1** has increased.

A further breakdown of the scoring within each of the Themes is outlined below;

- **Theme H** – scoring for all three questions remained a 4

5. External Assurance

A high-level focus of governance, risk, and control arrangements are in place for setting and monitoring actions in response to reports received from external regulators, including Estyn, Care Inspectorate Wales CIW) and Audit Wales. The Annual Audit Summary sets out the audit and regulatory work completed by Audit Wales of Flintshire County Council since the last annual report which was published in January 2022. Overall, the Auditor General for Wales has reached a positive conclusion. "The Auditor General certified that the Council had met its remaining Local Government (Wales) Measure 2009 duties for the financial year 2021-22, as saved by an order made under the Local Government and Elections (Wales) Act 2021." No formal recommendations have been made during the year.

6. Council Performance

The Council Plan is a detailed document which sets out the annual priorities of the Council. It is a requirement of the Local Government and Elections (Wales) Act 2021 for organisations to 'set out any actions to increase the extent to which the council is meeting the performance requirements.' The Council Plan 2022/23 was adopted by the Council in July 2022, and the end of year performance monitoring report highlighted that 77% of activities were making good progress and 62% of the performance indicators had met or exceeded their targets for the year.

7. Consultation and Engagement

7a. Engagement with Stakeholders

It was identified within the Council's Corporate Self-assessment 2021/22 that consultation with key stakeholders was an area that could be improved upon. In March 2023, a questionnaire was compiled and shared with Trade Union representatives to respond to and provide feedback: with them being a key internal stakeholder. Unison, GMB Union and Unite the Union were all consulted with, and Flintshire County Council received responses from Unison and Unite the Union. GMB did not provide a response.

Overall, feedback received was very positive with Trade Unions advising that they have a good industrial relationship with the Council. The opportunities to be involved in discussions at an earlier stage, when problems/issues are first identified rather than commencing once decisions have been made would be preferred, but the Trade Unions do believe that the Council does listen, and regular meetings are undertaken.

7b. Consultation with Employees

A consultation was undertaken with employees of Flintshire County Council during the summer months of 2023. A survey was open to all employees (with the exception of employees based in schools) and the purpose of the consultation was to gain feedback on six key topic areas: Engagement, Performance, Mental Health and Well-being, Communication, Hybrid Working and, Visions and Values. The feedback was positive and will be used to identify what is working well, identify the areas for ongoing improvement and also contribute to the shaping and development of the Council's corporate strategies and frameworks.

As part of the consultation employees were asked for their views and opinions on a new set of proposed core values, to sit at the heart of everything we as the Council do and will define the relationship between the Council and our citizens of Flintshire.

8. Key Themes of the Corporate Self-Assessment

10. Opportunities for Improvement in 2022/23

The Project Board engaged with all who took part in the Self-Assessment. Based on the range of questions asked against the eight Themes it is considered that the Council:

- a) Does exercise its functions effectively,
- b) Uses its resources economically, efficiently, and effectively, and
- c) Governance is effective for securing the matters set out in points (a) and (b).

This is consistent with the Council’s Annual Governance Statement and the Annual Performance Report for the year 2022/23. There are always areas where we strive for improvement and the following list of opportunities were identified for improvement in 2022/23.
