Main areas of discussion were transition from an RE syllabus to Religion, Values and Ethics; coordinated approach with Wales Government to professional development for practitioners; changes to SACRE constitutions and locally consulted syllabuses. 5. **WELSH GOVERNMENT CONSULTATION ON THE CURRICULUM FOR WALES GUIDANCE FOR RELGION VALUES AND ETHICS**

VB referred to the consultation report circulated with the agenda which had moved on from the earlier draft produced in April. She reported that it was also the intention of Wales Government to offer workshops on the document. In reviewing the document she asked the group to bear in mind the following:

- Are we clear about audience and purpose?
- Is language and terminology appropriate?
- Approach to professional development – how does this help practitioners?
- Is it clear what the role of SACRE is going forward?

View of group is that it would be useful to hold a workshop to discuss and prepare our response to the Consultation. PC asked that Diocese Directors be invited also to attend the workshop.
